PRECISION COMPUTER SERVICES

Attention: Allen Burge

Allen,

Congratulations!

HP is pleased to announce and call attention to the partners who performed exceptionally well in the quarter ending March 31, 2005. PRECISION COMPUTER SERVICES is being honored to receive the HP Performance Excellence Award for Premier Service and Support for Q1 2005.

As part of the HP Partner Recognition program, we selected the appropriate partners nationally to recognize them for their contribution. Winners of this award were selected based upon their quarterly average in customer satisfaction, parts usage efficiency, and how well problems were fixed on the first visit to a customer's site.

Frank Bassett, your HP Channel Partner Development Manager, confirms that you did an outstanding job as an HP Authorized Warranty Delivery Partner through the Enhanced Pay for Performance Program. In the following few weeks, you will receive a plaque acknowledging your accomplishment.

With partners like PRECISION COMPUTER SERVICES, HP can look forward with confidence to continued growth. We anticipate a successful relationship as we all strive to make the right decisions for our companies and our customers.

Respectfully,

Tom Jordan, Director
Americas Partner Delivery Management
